

"SupaTight were absolutely amazing, the band totally made our evening. Even more special than we imagined. The whole band came across as being so professional; you could tell they loved what they do!! I would have no hesitation in inviting the band back to Morocco for future events."

"Just a quick note to thank you and the band members for a fantastic performance on Thursday night! The music was brilliant and really got the party going. A number of people commented on how good Supatight were and how much they enjoyed the performance. I'm particularly grateful because I appreciate that it was trickier than usual to get to the event due to the weather! I hope you have a great 2011, thanks again from all at McCann London!" Rachel Ferguson from McCann Erikson – Christmas party at Delfina London, 2nd December 2010.

"Dear Craig and all of Embassy and the team at Like It Live. Thanks so much for your contributions to our wedding on the 18th September. Your music set the perfect tone and everyone enjoyed themselves hugely. I don't think I've ever seen my parents dance as much! Best wishes for the future, I'm sure you'll do well!!!" Matt and Helen, Wedding in Oxford – 18th September 2010

"Austin's Maestros are awesome!!! They made our engagement party a huge success and went beyond the call of duty to create the perfect atmosphere.
